Secretary/Fundraising: trophies are ready and can be picked up tonight

Treasurer: A report on shirt sales and individual area savings is attached

President: The 2009 Dome games will be held the weekend of Sept. 19 & 20.

Old Business:

Grants applications have been submitted for Iron Mountain concession stand (\$1500) and Kingsford eater cannons (\$1000).

New Business:

Reports of profits for concessions for Iron Mountain and Kingsford are included in the savings report.

Trophies were chosen by the executive board and were ordered and are available to distribute. If your area is having a party and would like money from area savings, checks can be written tonight.

Nominations for executive board member positions will be taken at the November meeting. Game officials' compensation will be distributed as soon as the payment information is received. Please get that in to the secretary as soon as possible.

A letter regarding parent and player behavior at a recent game at West Iron County was submitted by the West Iron County representatives and read. As it involved his team and parents, Tim McGuire responded. The issue seems to have been resolved by airing some concerns on the responsibilities of coaches, parents and area vice-presidents.

As the meeting was followed by the board dinner, there was no motion to adjourn.
